Regent Hill International School is a multicultural English Medium Private School registered with the Botswana Ministry of Basic Education. We cater for pupils of all nationalities from around the world, with varied national, social and cultural backgrounds.

OUR MISSION

To create an environment of excellence where pupils are able to positively contribute to the global community.

OUR VISION

A modern school environment where children initiate, explore, develop and take responsibility for their own learning.

- A deep understanding of and respect for cultural diversity.
- A highly skilled and enthusiastic teaching team.
- A challenging yet entertaining, relevant high quality and at the same time comprehensive curriculum that will stimulate high achievement for all our pupils.
- Development of the whole child who is self-reliant.

DEPARTMENT OF

LEARNING SUPPORT

There are two sub-divisions within this department;

1. **Learning Support Lessons:** provided during normal class hours for children enrolled in mainstream classes.
2. **Lotus Class:** for children who need more individualised assistance that cannot be provided in mainstream.

Both are conducted by teachers with special qualifications and many years of experience in this area of education.

LEARNING SUPPORT LESSONS

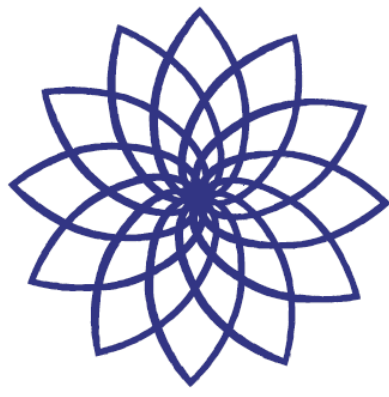

Children in need of extra assistance in academic areas are referred by class teachers, after consultation with parents/guardians and Management. The extra lessons follow the topics that are being taught in class. They consist of 3 lessons per week during normal school hours in small groups in a separate class room by the specialist teacher. For these children Parent/Guardian consent is required to attend the learning support lessons. This provision is covered by normal school fees.

LOTUS CLASS

At our school classes are known by flower names. The Lotus flower is symbolic and has many cultural and spiritual meanings. It was chosen as the name for the class we have opened as a symbol of the opening up of hidden potential in children who learn in ways that cannot be provided for in mainstream classes. The children are based in a comfortable, well

equipped classroom, with a maximum of 10 learners. The core academic curriculum is aligned to Cambridge and PSLE. The learners are under the care of a specially trained and experienced teacher and assistant. Learners are included in the mainstream for Art, Music, P.E. and sports activities (depending on Covid-19 protocol).
